Spacious Two Bedroom Apartment in the Heart of the CBD

This spacious Sydney CBD apartment is an expansive master bedroom that has an accompanying built in wardrobe and en-suite. The combined living dining room makes both living and dining extremely functional, and flows out seamlessly onto an outdoor space for entertaining and dining. The second bedroom also has an accompanying built in wardrobe. A resort lifestyle is also offered due to a rooftop pool with views of the ANZAC bridge, as well as a gym.

Features include:

- * Spacious master bedroom with built-in wardrobe and ensuite
- * Light and open floor plan featuring combined lounge and dining area
- * Tidy kitchen with stainless steel appliances and plenty of storage
- * Low maintenance balcony providing view of Chinese Botanic Garden and ICC
- * Resort-style facilities including rooftop pool and gym
- * Positioned steps away from to great cafes, restaurants, shops, parks, nightlife and entertainment
